Las piezas Louver Crest forman una celosía modular que, al colocarse sobre un tubo central, pueden girar y orientarse libremente. Su versatilidad permite crear composiciones que regulan luz, sombra y ventilación, aportando estética, privacidad y funcionalidad a cada proyecto.

The Louver Crest pieces form a modular lattice that, when mounted on a central rod, can rotate and be freely adjusted. Their versatility allows for configurations that control light, shadow, and ventilation, adding aesthetic appeal, privacy, and functionality to any project.

Les pièces Louver Crest forment un claustra modulaire qui, une fois placé sur un tube central, peut pivoter et s'orienter librement. Leur polyvalence permet de créer des compositions qui régulent la lumière, l'ombre et la ventilation, apportant esthétique, intimité et fonctionnalité à chaque projet.
