CERÁMICA NATURAL

*Since 1989*

Since 1989 **NATUCER** has evolved, combining traditional ceramic with the application of new technological processes. Developing a quality and differentiated product based on design, the study of shapes, and a special feeling for details.

# D'AUTORE CUSTOM TILES

We offer a collection with unlimited possibilities. A tailor-made suit for the most creative minds.  
On the bases of our own designs, you will be able to customize each piece with different colours, finishes, reactives and metallic glazings, etc.  
Make unique pieces for your dream spaces. A real masterpiece.

# POOL SOLUTIONS

The pool border provides aesthetic style, safety and cleanliness, avoiding damages with edges or sliding near the pool. The back side of the overflow border piece presents an elevation in order to avoid dirt entering into the water.

In order to get the overflow effect, one filter channel should be installed in all the perimeter of the pool, where water will be constantly flowing. This channel will be covered with our ceramic tile grill.

**NATUCER**

Una solución de coronación de piscina totalmente actual son los peldaños de gran formato, recto o curvo. Aportan diseño y funcionalidad, ya que se evitan cortes y juntas innecesarias.
